## ABOUT NVS CONSULTING

**NOUVEAU CONSULTING, INC. (DBA: NVS Consulting)** is a small business certified by the SBA as an 8(a) company. Whether it's people, hardware or software, we make technology work for you to ensure the success of your mission-critical requirements. We specialize in cloud computing, hybrid cloud, automation, security/governance, systems integration, Dev-Ops acceleration, blockchain, big data, business analytics, AI, and machine learning as well as their best practices.

Our goal is to collaborate with your agency to provide data and people solutions to help move your missions forward. We'll listen to your requirements, scope and utilize cutting-edge technologies with key partners, and implement a solution to your specifications, price point, and timeline. We self perform on contracts and where necessary will utilize teaming partners to present the best solution. We're ready to be your technology partner.
